## WHAT OUR RESIDENTS SAY

---

“You can tell they really care about the residents and the staff members. They always come with positive attitudes and come up with solutions. These amazing people really care about the well-being of the residents and will go beyond to make sure they are treated well.”

We provide personalized care— with kindness and compassion in a safe, healing environment fostering positive outcomes. Your care and recovery are at the center of every decision we make.

# DELIVERING CARE IN A CARING ENVIRONMENT

## MIND | BODY | SPIRIT

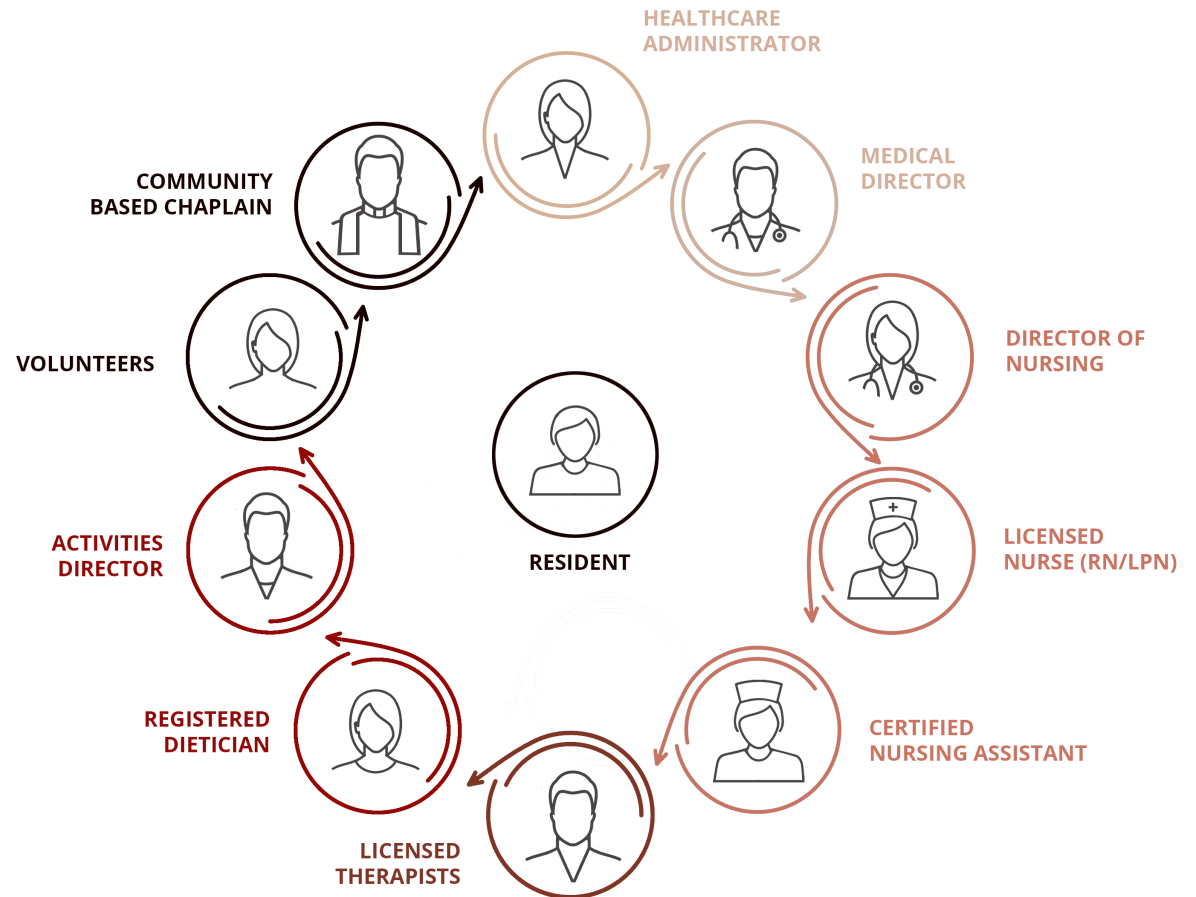

From short-term rehab stays after surgery or hospital admission— to long term health care services, our skilled nursing and rehabilitation center led by an interdisciplinary team provides medical and personal care for those unable to manage independently.

We are also here for patients who require treatment for chronic diseases as well as help with the activities of daily living for extended periods.
